QUICK-DRY TOWELS

Quick-Dry towel – smooth touch. Our towel is very pleasant to touch and for the body, it feels like suede. It is the highest quality of ultra-microfiber. The hems of the towel can be finished with thread or ultrasound cutting. The towel is perfect for people, who love activities, it absorbs sweat or water, is light and fits everywhere. It dries very quickly. It is also perfect for outside, for example: on the beach – thanks to compact structure sand does not stick to it, for running or climbing. It is also a perfect advertising medium, thanks to a big printing area and high quality.
